Dear Karen,

Thanks for your letter of 11/26.

Let us figure out a way for me to subscribe but not in my own name and perhaps that is the best answer. That will also cost less than buying individual copies.

Why not do it this way: you make a gift of a subscription to Lillian Stone (my wife's maiden name), Box 304, Route 8, Frederick, Md. 21701? Tell me how much it costs and I'll repay you.

You and Ross have been very helpful. Our appreciation.

Sincerely,
